THE HOF, whenever you're  
lonely he'll always be there.  
Another smooth character on  
the Hong Kong scene.

Combining the best flavours  
from China and Japan - a great  
way to enjoy the 'Fragrant  
Harbour' sunset.

An ode to Shinjiro Torii, founder  
of Suntory, when he opened a  
chain of bars called Torys and  
featured whisky highballs - one  
part whisky for every three to  
four parts soda - we hope this  
will honour his memory.

The art of "self-reflection".  
Surrender to this unique  
combination and let your  
worries disappear into the  
bottom of the glass.
